Hello [CONTACT NAME],

My name is [YOUR NAME]. I am a resident of [CITY/STATE] and I am emailing today to demand the commutation of Steven Hibbler, an inmate at the Michigan Department of Corrections.

I call on the Michigan Department of Corrections, Michigan Attorney General Dana Nessel, Governor of Michigan Gretchen Whitmer, Lieutenant Governors of Michigan Garlin Gilchrist II, to immediately release Steven Hibbler from serving a life sentence due to an unfair trial.

Steven Hibbler, has been serving a life sentence in the Michigan Department Of Corrections since 1995 for a shooting he did not commit. Although an affidavit and testimony under oath from a person involved in the shooting pointed to Steven's innocence, he was convicted of this crime and has been denied a retrial due to the justice system's failures.

Steven Hibbler deserves a fair trial and you can help with that. You can learn more about his story by visiting [Steven Hibbler](#). Please reach out to stevenhibbler@gmail.com to discuss his trial more in-depth.

Sincerely,
