Hello - may I please be connected to [contact name]

I am calling on behalf of Steven Hibbler, an inmate at the Michigan Department of Correctional Facility.

We demand that Steven Hibbler be granted a commutation for his current life sentence. We demand that the Attorney General's Conviction Integrity Unit be appointed to investigate Steven Hibbler's case immediately.

We demand justice for Steven Hibbler. An innocent man should not be doing a life sentence for a crime he did not commit.-- we will not have it.

Thank you.
